Hawksworth Governors

It is a legal requirement that every school should have a Governing Body which acts in the interests of current and future pupils and staff. School Governors are all unpaid volunteers who meet regularly to discuss and decide upon all aspects of school activities such as appointing staff, monitoring the budget, maintaining the premises and reviewing the curriculum. They work closely with the Headteacher, the staff, and parents of all the children. To strengthen the Parent/Governor partnership, Mr George Pratt (Chair of Governors) and Nicola Cameron (Vice Chair of Governors) will be attending this term's Parents' Evenings and will be available to speak to parents wishing to discuss any school related issues.

Snow Day

Thursday morning was a surprise but it was pleasing to see so many children make it in. I would like to thank staff for making a great effort for getting in and especially our school cook, Adrienne, who travelled from her rural and isolated house beyond Otley. Even though her kitchen assistant was stuck in snow, Adrienne was still able to rustle up a tasty meal for the children and with Miss Ward volunteering to help out serving food, normal service was resumed.

Nell Bank visit

Class 1 and 2 had a great time visiting Nell Bank, Ilkley. The children had a fantastic time participating in a series of exciting outdoor activities centred around the stories of *The Gruffalo* and *The Owl Babies*. Below are a sample of photographs recording the educational visit but I have uploaded many more to our Gallery on the school website.

Kestrels Before and After School Club

Q What do you call a mum who can't draw?

A. Tracey

This week Kestrels have been making crafts for Mother's Day. The children have used coloured lollipop sticks, foam cups, buttons and coloured card to make flowers. We have made a basket of flowers and some beautiful cards made with coloured cupcake cases.

World Book Day winner

Congratulations Tom Kennedy!

Emma Bjelan, Regional Manager for Veritas Education Recruitment, Leeds visited Hawksworth to present Tom with a medal and a £10 book token for his winning potato entry for World Book Day!

His potato was decorated as Gandalf, the wizard from The Hobbit and The Lord of the Rings.

This term our Collective Worship Value is: *Trust*

March Attendance Award (**snow days are classed as exceptional circumstances**)

Regular attendance is a key factor in learning and across all of the Aireborough Learning Partnership Trust schools we will again be recognising everyone who achieves 100% attendance for the month of March. While we recognise that many people will feel that 100% attendance should be the norm we feel that sometimes recognition should be given to what is the norm rather than it being taken for granted. We also believe that the scheme may also act more widely as a positive encouragement to make that 'extra effort' with all its educational benefits. All pupils who achieve 100%

attendance in March will receive a personalised certificate to mark their achievement and be entered into a prize draw to win one of many donations that we have kindly received from local businesses and some further afield. The Aireborough Learning Partnership Trust is committed to supporting our schools and their pupils to be the best they can. Thank you for your support.

Office message

Mrs Hyde continues to be absent from school and may be absent up to Easter. She has asked me to inform parents if they have any messages not to email her personal school email but to use the school admin one. Both Miss Hewitt and I have access to this email so we will be able to pick up any parent messages. admin@hawksworthceprimary.org
