

Our 6 core Christian values: Love, Trust, Courage, Friendship, Respect and Forgiveness.

Star Pupils

Class 1

Amelia K – Working hard to meet targets in her writing.

Esme – Trying to work more independently when writing.

Class 2

Pippa Lewis - for great effort in both Maths and reading this week.

Patrick French - for great identification of plants during our Science lesson.

Class 3

Scarlett Lobley-Knight - For high standards of presentation in all her work books.

Lola Makaafi - For showing a great understanding when calculating area and perimeter.

Class 4

Olivia Procter - for excellent work using the protractor in Maths.

Sarah Ayaz - for superb arithmetic skills.

Class News

Class 1

Class One had a visit from PC Bold and his fantastic dog, Max. Last week's stars had the treat of setting the sirens off in his police car.

Class 2

This week Class 2 have been re-capping fractions in Maths and trying to work out fractions in word problems. In Literacy, we have been continuing to look at explorers, thinking about what you would need to take with you and writing instructions about preparing to go exploring. Mrs Oliver was so proud of the Year 2s winning their heat in the skipping festival and she can't wait for the Leeds City Final in June. Keep skipping everyone!

Class 3

This week class 3 have continued to plan our spooky stories, which we did with the accompaniment of some creepy music playing during the lesson. The children also practised reading their stories aloud to a partner and received feedback on how they could improve their writing to create tension and suspense. We have investigated weight and shape in Maths, and produced some fancy table decorations for our Royal wedding meal on Monday. We also practised our skipping skills in preparation for the upcoming festival. Congratulations to Mrs. Oliver and Class 2 for their fantastic achievement in winning their skipping competition - Class 3 will be hoping to follow suit!

Class 4

Another busy week in Class 4! In Maths, Year 6 have been generating and describing linear number sequences and Year 5 completed a selection of word problems using their subtraction skills. We have also been recapping on various mathematical concepts, such as fractions, percentages and units of measurement. In Literacy, we revised using speech in writing, before creating our own narratives using only dialogue. We have also revised using relative clauses and fronted adverbials of time. Mr Roche, Mrs Dowling and Mrs Gallagher are extremely proud of how Year 6 have shown a mature and positive attitude towards their forthcoming SATs tests - good luck to you all!

School Attendance

Our school Attendance target is 97%. Well done **Class 3** for achieving **100%** attendance this week!

Class 1 97.50% Class 2 96.50% Class 3 100% Class 4 95.83%

House Points

Congratulations to **Condors House** for receiving the largest total of house points this week.

Eagles 56 **Falcons 54** **Vultures 56** **Condors 61**

Up the Odda! 2018

Mrs Stoney (Race Director) achieved what many people would think would be an impossible task – she successfully brought together hundreds of runners of all ages together to create the new race - Up the Odda! which this year has raised thousands of pounds for the children of Hawksworth. Her previous Over the Odda! races also raised up to £15,000 for Hawksworth School too. We are blessed to have such a hardworking individual who has had such a positive influence and immense impact on our school. On behalf of everyone associated with Hawksworth we thank you Mrs Stoney! I would also like to thank parents, ex-parents, pupils, ex-pupils, Governors, staff and everyone who gave up their free time to support this great sporting event. Everyone worked so hard up to and during the event, undertaking a range of jobs: marshalling the race, serving food and drink, manning water stations, setting out the course, taking official photos, transporting tables/Gazebos/chairs/signs, manning the carparks, clearing away at the end and of course providing vocal support for the runners. For a small village school Up the Odda was an immense achievement!

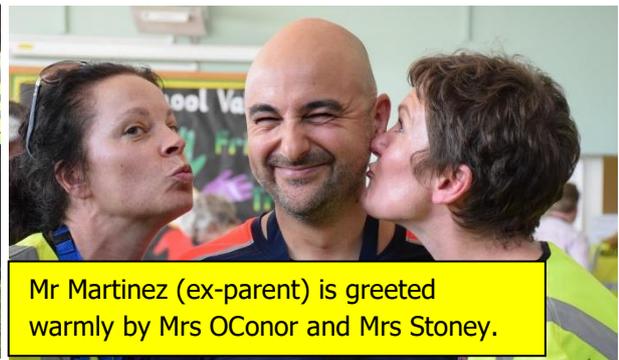

Two winners!

Some of the runners!

Junior runners set off!

Mr Martinez (ex-parent) is greeted warmly by Mrs OConor and Mrs Stoney.

Some familiar faces!

Just a few of the hardworking Marshalls!

Healthy Schools – Skipping

This year Hawksworth were awarded the enhanced Healthy Schools award and we are always striving to provide our pupils with a wide range of sporting opportunities and this week it was.....skipping.

On Tuesday the Year 2 children went to Leeds Trinity University (wearing their new Hawksworth hoodies) to enter a skipping festival and showcased their skipping skills against other schools in our area. After dominating the individual events, we also achieved highly in the team jump rope events. The scores accumulated by the children achieved an overall victory. We are now invited to compete in the Leeds City Final against the schools who won their heats. This will take place on Wednesday 13th June 2018. I would like to thank Mr McGuire, Mrs Oliver and Mrs Gallagher for accompanying the children. Both Mr McGuire (Subject Leader for PE) and Mrs Oliver (Skipping fanatic) have been instrumental in preparing our children for these intense skipping events.

Photographs of the event below and I will upload more to the school website.

The Hawksworth Skipping Team are Winners!

Isaac notices Mrs Oliver's subdued celebrations!

Isobel seems pleased!

After weeks of coaching.....Mrs Oliver's and Mr McGuire's calves. 😊

Healthy Eating

Below is a photograph of the very healthy, creative and delicious treat for Class 4. They were the lucky class chosen by our talented team in the kitchen for being the politest children this week and their reward was this fruity Puffa fish feast of healthy fruits. Thank you Mrs A. Morrit (School Cook) and Yolanda (Assistant School Cook) for taking time to create this fantastic fruity feast! We are so lucky to have such a hardworking and creative duo in our school kitchen.

Kestrels Before and After School News

Q. Why don't fish like basketball?

A. Cause they're afraid of the net.

This week we have made ocean animals out of coloured cupcake cases. The children have enjoyed making scary sharks, some very pretty fish, some snappy crabs and some fab turtles. We also used paper plates, tissue paper and pipe cleaners to made lots of other sea creatures.

Dates for the Diary	
	SUMMER TERM 1
Monday 14 th May to Thursday 17 th May 2018	Year Six SATs week
	SUMMER TERM 2
Monday 11 th June to Friday 15 th June 2018	Phonics Week
Monday 18 th June 2018	Sports Day 1.15pm
Monday 25 th June 2018	Sports Day Reserve 1.15pm
Tuesday 3 rd July 2018	Musical Interlude 2.30pm
Tuesday 10 th July 2018	Class One – Stay and Play for Parents/Grandparents
Friday 13 th July 2018	Leavers/Awards 2.30pm
Friday 19 th July 2018	Pupil Reports go out to Parents Leavers' Production 2.15pm School Hall
