Learning through Love, Fun and Faith

13.9.19

Headteacher's comment

Mrs Tempest will be leaving Hawksworth as manager of Kestrels, our Before and After School Club, and her last day will be Wednesday October 9th. On behalf of the governors I would like to take this opportunity to thank Mrs Tempest for her hard work and commitment over the last four and half years and we wish her all the best for the future.

The Governors and I are in the process of putting together the job advert and application pack for this vacancy which will hopefully be advertised on Monday on the Leeds.Gov.uk job site and across a range of local social media sites. There may be a few weeks where there will be a gap before the new member of staff can start but in this case we will have to cover this with staff from a registered personnel agency.

Earrings

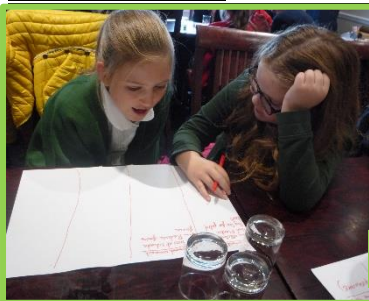

We still have a small number of children wearing earrings (including studs) at school. Our school uniform policy has been in place for many years and clearly states no jewellery is to be worn in school and this obviously includes earrings. Please can you not send your child to school with earrings.

This photograph does illustrate what can happen! This Y4 pupil had his ear torn whilst walking down a corridor when his earring caught on another child's hair. At Hawksworth we take the safety of your child very seriously and would appreciate all parents doing the same and removing earrings during the school week. Thank you in advance for your support.

Flash, Bang, Wallop, What a Picture!

Reminder: Next Monday (16.9.19) we have Ross Photography returning to Hawksworth to take individual photographs of the children. The photographer will be in at 8.30am to take photos of pre-school children with their older Hawksworth siblings, so if you want them included just pop along to the school hall for 8.30am (The photographer may opt to carry out the photo session in the school grounds if the weather is good). Siblings already in school will automatically have their photograph taken with their brother/sister during the morning.

Environment forum

Last week, Esme and Niamh (Class 4), attended the 'Enviro-Forum' at Horsforth Golf Club, an event which was organised by our local MP, Stuart Andrew. The children from local schools thoroughly enjoyed discussing environmental issues, learning facts about climate change and finding out what individuals can do to help their planet. Mrs Dowling, who accompanied the girls, informed me both were very articulate in discussions and were great ambassadors for the school.

Esme and Niamh deep in discussion

Star Pupils

Congratulations to our Star Pupils this week! All chosen by their Class teachers:

Class 1

Seth H - for making a great start to Hawksworth school life! Well done!

Emmeline M - for reading at home every single day since starting back at school!

Class 2

Jonah D.C - for fantastic progression in reading.

Zachary L - for great number recognition and understanding of partitioning in Maths.

Class 3

Sam M – for working hard and producing great work in Maths.

Pippa L – for showing great enthusiasm towards her reading and moving up a level.

Class 4

Jake T-C - for working extremely hard in all areas of the curriculum.

Lola B-A - for demonstrating a fantastic attitude in all areas of school life.

Class News

Class 1

This week Class One have enjoyed learning about The Great Fire of London. We have asked many questions and had some great whole class discussions about the topic. We have also learnt the song London's Burning. Reception enjoyed meeting their Year 6 buddies on Thursday and they are all very excited to be joining them for lunch next week! We have all done some fantastic writing in Literacy, Year 1 have done an 'all about me' and Reception have been practising their names in the cursive script. Reception children have shown us their brilliant Maths skills and Year 1 have been estimating, counting backwards and practising all the skills we need to get going in Year 1. We're looking forward to seeing you all at Class One's expectations meeting on Wed 18th 6-7pm. Don't forget individual school photos are on Monday 16th. *Mrs J. Metcalfe*

Class 2

Class 2 have had a busy week and are starting to settle to work really well. In Maths, we have been counting and recognising numbers to 20/100 and we have been partitioning numbers into tens and ones. Lots of practical maths has taken place and the children are building up their understanding. In Literacy, we have been reading the story 'The Firebird'. We split the story into scenes, which we acted out in small groups so that by the end, we had the full story. On Thursday, Year 1 wrote sentences re-telling the story and Year 2 wrote a summary. Our RE topic this term is God's Creation so we created something out of junk/lego and then talked about how we felt about what we had made and how we would feel if someone or something destroyed it. **Please could you send in any empty shoe boxes you may have, as we will need them for a future RE lesson at the end of this half term. Also, if anyone happens to have a small piece of camouflage netting (1msq would be enough) please could we also have this for our reading area. Thanks in advance.** *Mrs S. Oliver*

Class 3

This week Class 3 have opened our investigation into *What killed Tutankhamun*. The children have discussed what they already know about Ancient Egypt and have taken on roles as part of the 'Ancient Crime Squad'. In Maths we have revisited our number bonds and how we can use our knowledge of these to calculate additions of up to four numbers. We looked at the difference between solids and liquids in Science and opened our accounts on Times Tables Rockstars. Last Friday we buried our time capsule in the school flowerbeds which held examples of our abilities at this early stage of the year. In Summer term, we will dig up our capsule and see how much we have improved! *Mr P. McGuire*

Class 4

We've had a busy week in Class 4! As part of our Literacy topic, 'Greek Myths', we have been writing our own versions of *Pandora's Box*. I was extremely impressed with the standard of work from everybody - well done, Class 4! In Maths we have been looking at place value and brushing up on our column addition skills. We began our 'Evolution and Inheritance' Science topic by looking at physical traits we have inherited from our parents and in Humanities we created timelines of the key events of Ancient Greece. In RE we recapped on the difference between the Old and New Testaments before studying and commenting upon 'The Big Frieze' artwork which depicts key events from the Old Testament. *Mr T. Roche*

Kestrels Before and After School Club News

Q. What kind of candy is never on time?

Q. ChocoLATE

It's been a busy week in Kestrels. The children have had lots of fun making various crafts from the characters in Roald Dahl books. We have made the giant peach from James and the Giant Peach, using a paper plate and tissue paper. Lots of Mr Twits beards using materials to make it look as disgusting as possible. Some great Fantastic Mr Fox masks, an Oompa Lumpa mask and some fabulous dream catchers from Big Friendly Giant. *Mrs J. Tempest*

What have they been up to this week?

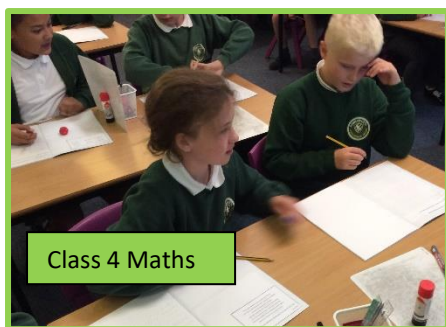

Class 4 RE

Class 2 Drama

Class 2 Maths

Class 4 Maths

Each reception child is allocated a Year 6 'buddy' and yesterday Class 1 enjoyed showing their Year 6 buddies their classroom.

School Attendance and House Points

Our school Attendance target is 97%. Well done **Class 1** for achieving the highest % attendance this week!

Classes	%
Class 1	100%
Class 2	97.5%
Class 3	99.66%
Class 4	99.18%

Congratulations to the winning House for receiving the largest total of house points this week!

House	Total
Eagles	156
Falcons	133
Vultures	124
Condors	63

Our Core Values
