VE Day!

Poppy, in Class 1 has been very busy all week creating some crafts to celebrate VE Day. She started off making Union Jack bunting, did fantastic colouring in and enjoyed threading the string through the holes to make the bunting!! She then moved on to making a poppy wreath to remember the people who died fighting for our country. She used an egg carton and the outside of a paper plate to stick them down. Poppy's Mum's birthday is on the same day as VE Day, so the whole family are going to have a little party in their garden. They have put up their decorations and are having an afternoon tea style picnic whilst listening to 40's music! Happy Birthday Poppy's Mum - from the Hawksworth staff.

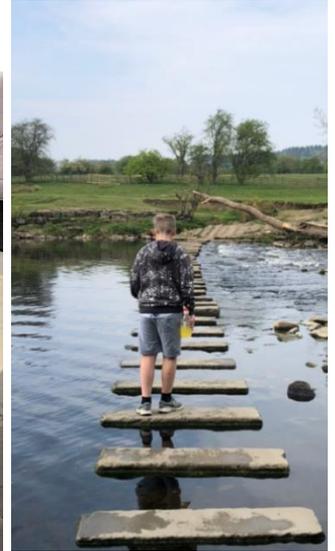

Isolation Inspiration

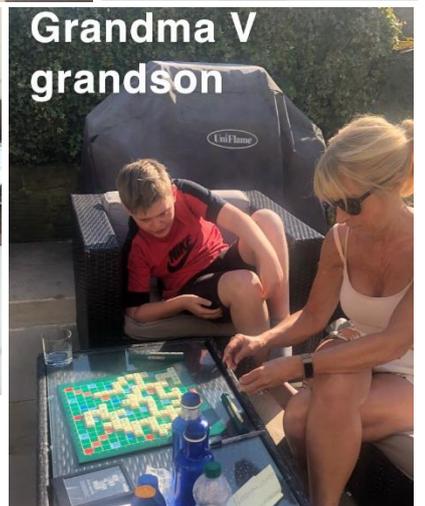

Thank you for all those who have taken part in this week's 'Isolation Inspiration' challenge. We have thoroughly enjoyed looking through all the wonderful photos and activities you have been doing at home. We have had been amazed by both the learning and fun outdoor activities everyone has been up to from; taking beautiful walks, baking/cooking, painting or creating banners for their neighbours, taking part in an at home obstacle course and turning the home into a theatre by acting out plays/ puppet shows for all the family to enjoy.

Thank you for all those pictures sent in and please do keep sending more through to pics@hawksworthceprimary.org. It has been so lovely to see you are all staying happy and healthy whilst seeing all the wonderful learning and activities taking place at home. Keep it up Hawksworth, we look forward to seeing next week's Isolation Inspiration.
