## Headteacher's Comment

I sent out a newsletter on Wednesday explaining how school is planning for the proposed school opening for children in Reception, Year 1 and Year 6. As you will be aware the Department for Education is presently working with local authorities and unions on this matter - when I receive any updates, I will inform parents.

## Message from Mrs Hyde

Can any parents who have not yet indicated if their child is returning to school in June, please do so, as it will aid our planning - thank you.

## Lockdown Star pupils

The staff would like to thank the children of keyworkers for being a joy to look after...well done children!

### Class 1

All of Class 1 for working well at home. There has been some great work uploaded to Tapestry!

*Mrs Metcalfe*

### Class 2

**Amelia C** - for all the extra maths work she is doing at home, especially working on times tables.

**Adam C** - for working so hard on all the '2dos' on Purple Mash and also learning to ride his bike one handed!

*Mrs Oliver*

### Class 3

**Max M** -for his fantastic home learning this week, learning all about density of liquids and how chemicals react and how we can use this in everyday life.

**Isabelle C** - for all her excellent home learning and carrying out wonderful activities across the curriculum.

*Mrs Dereix*

### Class 4

All of Class 4 for working so hard on Purple Mash and Century – keep up the good work!

*Mr. McQuire*

## Isolation Inspiration

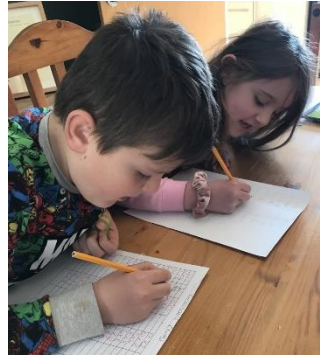

Thank you to all those who have taken part in this week's 'Isolation Inspiration' challenge. The staff have thoroughly enjoyed looking through all the wonderful photos of activities you have been doing at home – we all miss you! Please do keep sending more through to [pics@hawksworthceprimary.org](mailto:pics@hawksworthceprimary.org)

### Isolation Inspiration photos:

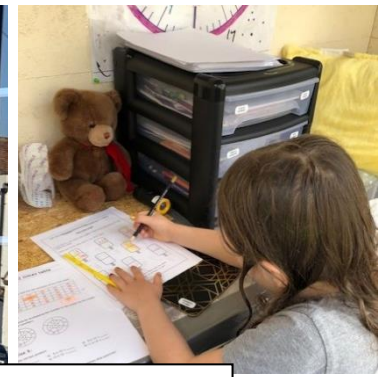

George – working very hard!

Zoe bakes a Springtime cake for her family!

Willow and Finn relaxing and working.

Isabelle and Amelia have been very busy (...and a great pic of their Grandparents!)

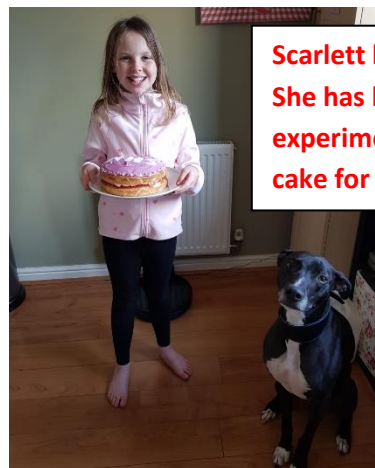

Josh has been doing some very delicate and supervised landscaping in his garden!

**Jake has been very busy cooking and baking! He later relaxes with a bit of Origami and bike riding!**

**Scarlett has been very active!  
She has been doing Science  
experiments and baking a pink  
cake for the NHS!**

**Scarlett's friend  
waits to taste the  
cake!**

**This week Emily made time to get  
away to the beach and relax with a  
Cornetto!**

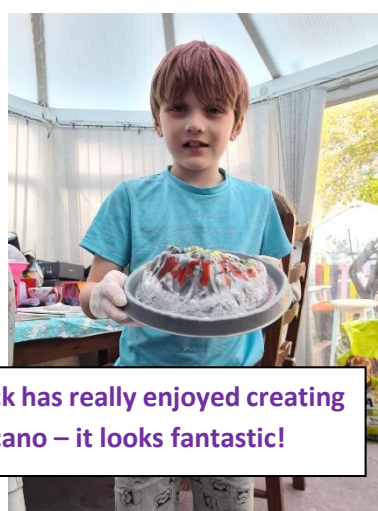

Islay and Leo have been very busy during Lockdown! Playing netball, camping, celebrating VE Day, walking in Hawksworth Woods, making pizzas, car washing, wall painting, bike riding and enjoying a session with Joe Wicks (and Dad).

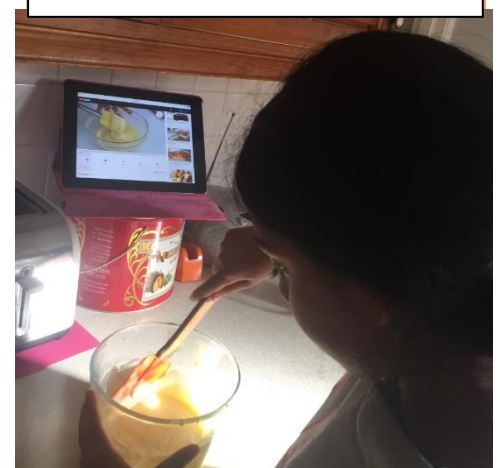

This week Max has done some science experiments! Using a vinegar solution to clean copper oxide from pennies to make them look new again and looking at density of different liquids and making a density tower.

Venus has been very busy playing cricket in her garden and cooking for her family!

Patrick has really enjoyed creating a volcano – it looks fantastic!
