Learning through Love, Fun and Faith

21.5.21

Star Pupils

Class 1

Brandon A for settling into Class 1 so well, making new friends and working really hard!

George C for settling into Class 1 so well, making new friends and working really hard!

Harriet L for being a gymnastics super star in PE this week.

Archie M for working well ALL week and trying so hard with his learning in all areas. Archie wrote a wonderful recount about our church visit.

Class 2

Alfie M for a fantastic persuasive letter.

Maxton M for a fantastic persuasive letter.

Class 3

Joey W for his brilliant work on his playscript and captivating acting.

Ben F for his excellent Maths work.

Class 4

Liam S for hard work and persistence in understanding how to subtract fractions in Maths.

Islay D for having an excellent attitude throughout the whole week! She met a member of staff from her high school on Tuesday and the staff member was so impressed with her confidence, manners and maturity.

Class News

Class 1

This week we enjoyed our first trip out of school to St Oswald's church to visit Father David in his 'Special Place'. We looked at and learnt about all the features of the Christian Church and why a church is a special place. We all enjoyed the coach ride too, a posh coach with blacked out windows was very exciting! We have been writing some lovely recounts about our trip and have remembered lots of information that Father David told us. We enjoyed a fun Gymnastics lesson with Mrs Malir this week and we really impressed her with our skills. Our 'Mystery readers' have been amazing, reading to the whole class with confidence and fluency. We are really impressed with them all so far and we can't wait to hear the others. Remember to keep it a secret from others though!

This week we enjoyed our first trip out of school to St Oswald's church to visit Father David.

Ruby K being our 'Mystery' reader.

Thank you to the Friends of Hawksworth for the donation of the upcycled cable reels. A multi-purpose small world area has now been created.

Class 2

We have had a busy few weeks. In RE, we have been learning about the Judaism religion, thinking about the Ten Commandments and which ten rules we would have, to make the school a lovely place to be. This week, we made a mezuzah which involved a lot of cutting and paper folding but they all look great. In Literacy, we have been continuing with our story 'The pirates next door.' We have written some effective persuasive letters to the council telling them that the pirates MUST GO AWAY! We have learnt about telling the time in Maths and have been working out time problems. Our caterpillars have changed into chrysalises and we are watching closely to see them develop into their final stage as a beautiful butterfly.

Class 3

This week Class 3 have been working on writing setting descriptions for a scene in the book we are currently reading, *The Boy at the Back of the Class*. The children have also produced, and acted out, some fantastic playscripts based on the same book. In Maths we have been practicing column addition and learning how to make an exchange.

Class 4

In Maths Year 5 have been subtracting fractions and Year 6 have been focussing on solving equations in Algebra. We have started the new class book *Room 13* by Robert Swindells. In Literacy the Class have made predictions on the book based on the front cover and from a wordle. The whole class have participated in Royal Mail's *Heroes Stamp* design competition, to design a stamp honouring the heroes of the coronavirus pandemic.

Kestrels Before and After School Club

We started the week with a calm, cosy film afternoon enjoying watching David Walliams in Mr Stink and Hop. When the weather has allowed we took our tech decks and ramps outside and used our hot wheels race track on different surfaces to see how it altered the cars speed.

House Points and School Attendance (School target set by Leeds is 97%)

House	Total	Class	%
Eagles	43	Class 1	99.04
Falcons	38	Class 2	96.51
Vultures	35	Class 3	94.30
Condors	45	Class 4	97.92

U turns and splashes

A villager contacted school to ask if Hawksworth parents could refrain from making u -turns on their premises.

A Hawksworth parent has also contacted school to remind parents to be considerate drivers and not to speed through the flooded area on Main Street as a number of parents and their children have been soaked.
