Class News

Class 1

Class 1 have started investigating a new continent of Antarctica this week. We have listened to the story Lost and Found, made lost posters to describe the penguin we found and helped penguins escape from icebergs.

We have thought about internet safety on Internet Safety Day and know we must always ask an adult if something seems strange on our iPads.

We had a great afternoon on Wednesday when we had lots of adults join us for stay and play, we enjoyed sharing some of our favourite activities with our parents and grandparents.

Please could parents remember to sign reading diaries when you have heard your child read and also sign spelling books so that we know you have had a look at spelling quiz results. Thank you!

Stay and Play

Class 2

This week we have been planning and writing our own story. We all created our own characters which were unique. There were some fantastic characters including Strong Steve and Dizzy Daisy. The children then planned an adventure story discussing how their character became unique, how they felt about it, a problem and a resolution.

In maths, year one have been learning about ordering numbers within 100, finding one more and one less of a number and partitioning numbers into tens and ones. Year two have been focusing on tally charts and

pictograms. The year two children created their own pictogram and tally chart from the data they collected in the class. In art, the children enjoyed painting their clay leaf with Mrs Gallagher.

This week has been *Safer Internet Week* so we have been discussing how to keep ourselves safe online. We created our own avatar, username and password to ensure we stay anonymous to strangers. Have a great weekend Class 2. *Miss Ward, Miss Armitage and Miss Ainsworth*

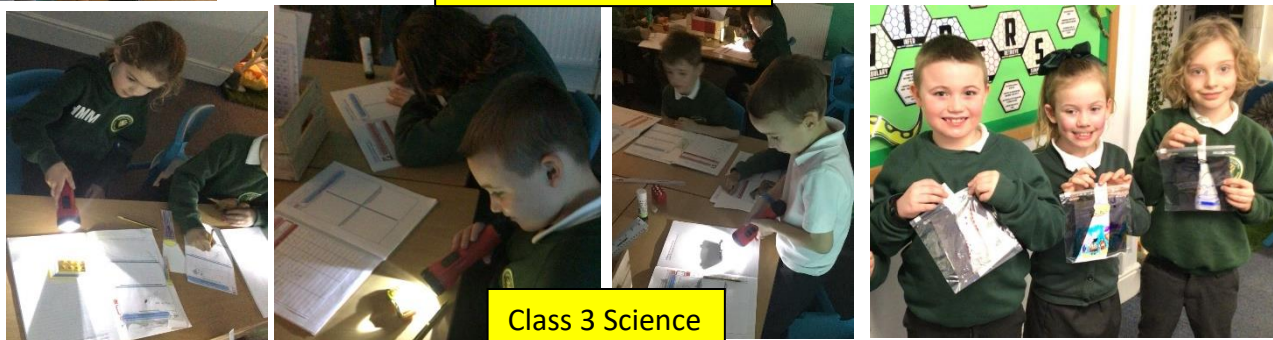

Class 3

Class 3 enjoyed learning about 'Safer Internet Day', we did age rating quizzes, gaming scenarios and lots of discussions about being safe online. As it's also been Mental Health Awareness Week, we have thought about how to take care of ourselves and focus on the importance of sleep. We made mental health awareness posters in computing to show things you can do to take care of yourself (you can see these on your child's Purple Mash.)

We have continued our Science topic of 'Light' and had a great lesson exploring how shadows behave. We finished with making a 'torchlight in a bag' activity which everyone thoroughly enjoyed.

We have done some more amazing art this week. Again, following the direction of our artist this term- Georgia O'Keeffe. We sketched a bull skull, using pencils and shading. I can't wait to display some in class.

Well done all of Class 3 for working so hard all week, especially on their assessments. They have written some wonderful disasters stories! *Mrs Metcalfe, Mrs Dowling and Mr Cleghorn*

Class 4

Class 4 have had another jam-packed week. In Geography, we have been learning about Extreme Earth, focussing this week on extreme types of weather and the devastation they can cause in a short amount of time. We watched a fantastic news report created by Joey, aka Patricia - the Oklahoma news correspondent - which was informative with an added touch of humour! On Tuesday, we had the second Teams call with the Antarctica expedition crew, live onboard The Agulhas II, on their way to search for Shackleton's Endurance. In DT, we have continued making out Art boxes for the ALPT art exhibition. We made the boxes using dowel rods, cutting them to size with a hacksaw and fixing into shape with a glue gun. Mrs Oliver was impressed with the levels and concentration and how safety conscious everyone was. Underpinning all this was a 'mock SATs' week - papers have been marked and will be looked at together next week.

BAKE SALE - A message from the School Council!

Please could we remind everyone that we would like to hold a Bake Sale on Wednesday 16th and Thursday 17th February during playtime. If you can donate any cakes/biscuits/buns to sell, we would be really grateful. Please drop any donations off by Tuesday 16th February, remembering not to include nuts and to label them with a full list of ingredients. Any money raised will be used to purchase new equipment for playtimes.

Thank you!

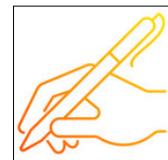

Class 1	Danny F - for working really well on his poster of a lost penguin.
Class 2	Archie M - for always trying his best in every lesson.
Class 3	Isabella H - for consistent effort and bravery in swimming.
Class 4	Charlotte M - for being a caring, considerate pupil - always looking out for others.

Class 1	Billy C for reading lots at home.				
Class 2	Molly S for trying so hard with her reading and making good progress.				
		Class 3	Jasper S	Class 3	Charlotte W
		Class 4	Romano R-S	Class 4	Ruby B

Handwriting Stars

Class 1	Hannah McD for beautiful, neat handwriting.

Goldilocks and the Three Bears

We are very proud of Willow who has been treading the boards again in Goldilocks and the Three Bears. Willow would like to thank all her friends and family who came along to support her! Below are photos of Willow and her fellow cast members.

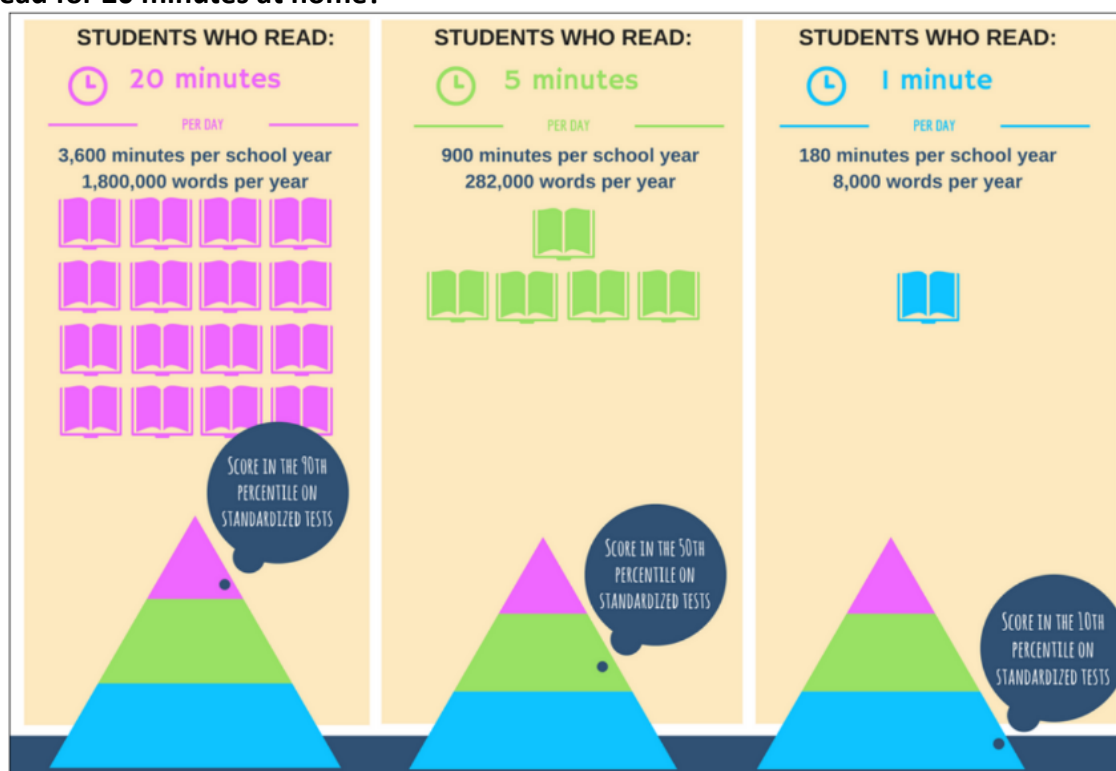

Reading at Hawksworth

Research shows that a child who reads every day does better at every stage of their education.

Have you heard your child read this week?

Why read for 20 minutes at home?

Well done Class 3 and Class 4 for increasing your usage of Century at home – keep it up!
