Ukraine

I would like to take this opportunity to thank Mrs Bolton (Barney's Mum) for informing school about her efforts to help those in Ukraine who are in desperate need of essential supplies, especially for children. I would also like to thank all those who have contributed items, it is greatly appreciated. As a school founded on Christian values it is at these times when school can demonstrate our core Christian Values and reach out to those in need.

Class News

Class 1

Class One have had a brilliant week with our work all based around the Owl Babies story. We did some drama, wrote some captions and then found out some facts about owls.

On Thursday we had a trip to Ilkley, Nell Bank never fails to provide a brilliant day of outside learning. The children all really enjoyed themselves and I'm sure will have slept well on Thursday night.

In maths we have all been working on bonds to 10 or 20 and some children are amazing, already knowing them off by heart.

Mrs Gallagher led an art session where Class One started producing a picture in the style of David Hockney. I can't wait until they are finished as they are going to be amazing. **Mrs Malir, Mrs Williamson and Miss Ainsworth**

Class 2

In Class 2 this week we have been writing persuasive letters to our chairs. On Wednesday the chairs in Class 2 quit and therefore in the afternoon we had to complete our work without the chairs. The children thought of some fantastic ideas to persuade the chairs to come back including: "I am extremely sorry that we left you untucked you are too reliable to be untucked. I'm so sorry we made you feel like the odd one out. I would hate to feel like the odd one out so I really apologise. Please come back." - Rory.

In maths we have been learning about length. The children have been measuring a range of objects using centimetres, millimetres and metres. We have ordered lengths, compared lengths, drawn specific lengths and measured lengths. The children have worked extremely hard with their maths this week. In Science we learnt about animals' offspring. We discussed what different offspring are called and then sorted them into two categories. In Topic, we studied a range of aerial images looking for human and physical features in the photographs.

On Thursday we enjoyed a trip to the library to explore a wide range of literature. We will be visiting the library every week moving forward as the children loved having time to read. Well done Class 2 for a super busy week. **Miss Ward, Miss Armitage and Miss Ainsworth**

Class 3

This week Class 3 have enjoyed exploring sound in our new Science topic. We used rice and drums to see the vibrations and also looked at and made sound using other resources.

Year 3 have been measuring length in, mm, cm and m in maths and comparing and converting length too. Year 4 have been learning about area and finding the area of shape using their multiplication skills.

We enjoyed painting our clay flower bowls in Art. Mrs Metcalfe's glue gun was HOT - fixing all the broken bits, but most of them survived in the end! Everyone is very proud of their creations.

In literacy, we have been writing about the story 'Escape from Pompeii' and we have written some wonderful setting descriptions.

We have had a detailed discussion about the current world events and have watched a CBBC Newsround about why the Russians are attacking Ukraine. The children know if they have any questions they can talk to us about it. They were all very grown up and we had a really good discussion about it, finishing with saying a prayer for all involved. WE STILL NEED MORE CEREAL BOXES/KITCHEN ROLL AND TOILET ROLL TUBES PLEASE! (They will be disinfected accordingly). **Mrs Metcalfe, Mrs Dowling and Mr Cleghorn**

Engaging Class 3 Science and Art lessons with Mrs Metcalfe

Class 4

Class 4 have worked hard this week. In maths, Year 6 have been calculating the area of triangles and parallelograms and Year 5 have been working out the perimeter and area of compound shapes. In Literacy, we wrote a balanced argument examining the reasons for and against sailing around the world for a year. In RE, we also looked at both sides of an argument, using the Bible to discuss and write whether there is enough evidence for or against Jesus being resurrected. In Computing, we have started to create our own text story games - a bit like the BBC 'Granny's Garden' game that Mrs Oliver used to play at primary school!!

Class 4 have worked hard this week and I am extremely proud of their self-motivation to improve, which the children are demonstrating, particularly in Maths. Keep it up Class 4! **Mrs Oliver and Mrs Gallagher**

Class 1	Josephine DC for brilliant behaviour and being really enthusiastic on the trip.
Class 2	Filip W for his fantastic persuasive letter he wrote to the chairs who quit.
Class 3	Noah J for always contributing his ideas in all lessons and being such an enthusiastic learner.
Class 4	James P - for working hard in Maths and making a huge effort with his handwriting.

Class 1	Roan W, as he is always so keen to read and change his books.		
Class 2	Etta C for trying so hard with her reading.		
Class 3	Charlie A	Class 3	Esther C
Class 4	Isla C	Class 4	Barney B

Handwriting Stars

Class 1	Rafe P for really concentrating in handwriting to form his letters correctly.
Class 2	Archie Mc C for working so hard at home and in school on his handwriting.

House points Attendance (Leeds Target 97%)

House	Points	Class	%
Eagles	43	Class 1	99.41%
Falcons	32	Class 2	98.57%
Vultures	52	Class 3	96.77%
Condors	38	Class 4	96.25%

Results - Week 1

During week 1, Hawsworth Primary School answered around 1,200 questions, which is a good start.

This means, based on your user base, an average of 16.1 questions were answered per student, which currently puts you in 79th place in your category — a great effort for the first week of the challenge!

Coming just ahead of you was a primary school in Warrington with an average of 16.2 questions. Well done so far and we can't wait to see how you do in week 2.

#CENTURYSpringChallenge

Safeguarding

At Hawksworth CE Primary School, the welfare of our children is of paramount importance to all members of our community, and safeguarding is a key responsibility for everyone.

Our safeguarding team is currently:

Mr D. Norris (Headteacher and Designated Safeguarding Lead)

Mrs Stefanie Oliver (Assistant Headteacher and Deputy Designated Safeguarding Lead)

Mrs Sonya Gallagher (HLTA, Learning Mentor and Deputy Designated Safeguarding Lead)

Mrs J. Archdale (Safeguarding Governor)
