Class News

Class 1

This week Class One has been doing some more Easter activities including egg addition, an egg hunt, baking hot cross buns and also writing thank you letters to Nell Bank. We are looking forward to starting our Explorer topic after the holidays and hope that you all have a lovely relaxing Easter. *Mrs Malin, Mrs Williamson and Miss Ainsworth*

Class 2

What a busy half term for Class2! We have been working extremely hard. In maths, we have been learning about shapes and lengths. In literacy, we have had fun creating predictions, persuading the chairs to stay and writing a sequel to our class book; The Day the Crayons Quit. In Science, we have been finishing off our topic of Animals including Humans and the children have enjoyed categorising the animals, investigating a range of animals and discussing if the babies look like adults. In topic, we have concluded our topic, All Around the World where the children have learnt the names of the seven continents and five oceans, different landmarks from each continent, facts about each continent and the temperature in each continent. The children have also learnt some mapping skills which will be continued next term and using grid references to plot locations. We have also learnt a lot in art, music, computing, PSHCE and RE. Well done Class 2 for another brilliant half term. Enjoy your Easter holidays and I look forward to seeing you next term. *Miss Ward, Miss Armitage and Miss Ainsworth*

Class 3

This week Class 3 have worked so hard completing their assessments throughout the week. We have made some Easter cards, following instructions well. We enjoyed a 'What's the Story Easter' session, pre-recorded from the bible team, where we followed the story with the easter story chains. We really enjoyed completing an Easter trail today, following a trail outside that told the story of Holy Week and finished with a chocolate egg. We have continued our '2Logo' work in computing lessons and also spent time on Century and Times Tables Rocks Stars too. A very busy week for Class 3! Have a wonderful Easter and a well-deserved rest. *Mrs Metcalfe, Mrs Dowling and Mr Cleghorn*

Class 4

In Class 4, we have been rehearsing for our Easter performance and today, we completed an Easter trail organised by Mrs Smith, Jasper's mum. In art, we made Easter cards using watercolour and silhouettes. This week, Class 4 have carried out their assessments. I am pleased with the progress made in the time since the last assessments back in February. The children are aware of their own areas to focus on and this is now a prime opportunity to use Century to improve these personalised areas. *Mrs Oliver and Mrs Gallagher*

School Office News

Miss Hewitt found an injured hawk on the school grounds this week and with help from Mrs Chalmers-Brown (School Business Manager) has nursed it back to health. Both have become very attached to it and have asked the school Governors to keep it in school. The school Governors have granted their request and it will now be allowed to live in the office – it will certainly be a talking point when people visit the school during the week. It has been named 'Hawky' by the office staff.

If any parents or pupils wish to book a session to meet 'Hawky' please email admin@hawksworthceprimary.org or phone the office this morning.
