## School News

Yesterday, the school enjoyed their Queen's Platinum Jubilee School meal and made their Jubilee themed artwork. The school hall and corridors were festooned with Union Jacks and the staff displayed the children's artwork in the windows at the front of the school.

Mrs Chalmer-Brown's husband kindly gave up his free time to come up to school with his ladders and take down the old, tattered Union Jack and replace it with a much larger one. We have also purchased some flag weights which will be added shortly to stop the flag from wrapping itself around the flagpole!

Our life-size Queen will be displayed in the end window to protect it from the elements and stop the two royal corgis from going astray - thank you to Charlotte (Class 4) for loaning her two well-trained corgis to school. I would also like to thank Mrs Gallagher's mother for donating the majority of her summer collection, so our life-sized Queen was appropriately dressed in a regal and classic outfit...thank you, Mrs Joyce! Thank you also to Mrs Gallagher for overseeing the making of the model of our Queen Elizabeth II.

Special thanks to Mr and Mrs Ineson for the personalised Jubilee Stickers!

## Class News

### Class 1

This week Class One have been concentrating hard and showing how clever they are during assessment week. We also had such a great time on Jubilee Day making crowns, yarn bombing, drawing portraits of the Queen and making Union Jacks. Have a look at our lovely drawings at the front of school on Class Three's window.

In the first week back after half term Year 1s will be doing their phonics screening check, so please keep reading and practising your sounds in preparation for this. Thank you, Mrs Malir.

*Mrs Malir, Mrs Williamson and Miss Ainsworth*

## Class 2

This week in Class 2, we have been enjoying celebrating the Queen's Platinum Jubilee. The children have enjoyed finding out facts about the Queen and her reign. We had a lovely day on Thursday celebrating, we thoroughly enjoyed the picnic in the hall with the whole school. On Thursday we also made our crowns and we created lots of art for the window display in Class 3. We hope you like it! Well done this half term Class 2. You have worked so hard, and the improvement Miss Armitage and I have seen over the last six weeks has been incredible. We both hope you have a fantastic half term holiday and we can't wait to see you when we get back to school.

*Miss Ward, Miss Armitage and Miss Ainsworth*

## Class 3

Class Three have had a wonderful week celebrating the Queen's Platinum Jubilee. We have created some amazing artwork and researched lots about the Queen. We even wrote some letters to her, inviting her to our Jubilee celebrations, sadly she couldn't attend. In geography, we studied the Alpine biome and made a chart of the animals that live there. In PE, we have had a full half-term learning tennis and have shown some great progression. We have all worked super hard completing assessments throughout the week and improving our scores from last time.

Have a wonderful and well-deserved half break! *Mrs Metcalfe, Mrs Dowling and Mr Cleghorn*

## Class 4

Class 4 have worked hard again this week. Year 5 carried out their end of term assessments over the course of the week whilst year 6 worked on furthering their understanding of semi-colons and their use. This led to writing narratives which included dialogue based on our class story 'Oranges in no-man's land'. We have now finished reading this story and will begin our new class story at the start of next term. We had a great day on Thursday for our school Jubilee Day. In the morning, we made crowns and used a pattern technique to create pictures of the queen with a Union Jack background. In the afternoon, we came together with the whole school to take part in a parade and sing the National Anthem. We also finished the afternoon attempting to complete sudoku! *Mrs Oliver and Mrs Gallagher*
