Kestrels News

Q: What's the easiest way to find a Princess?

A: Follow the foot Prince!

This week in Kestrels the children have had a royally good time making Prince and Princess crafts. They have made Prince and Princess masks which they coloured in and decorated and we cut out and designed their outfits, fit for royalty! They used paper plates and lollipop sticks to make a princess mirror. We had lots of bookmarks, and colouring in sheets and word searches (of course!). *Mrs Tempest*

School News

Hawksworth's Got Talent!

Special thanks go to Mrs M Smith (Parent Governor) and her stepdad, Gerard, for building the super stage for Class One's outdoor area. We LOVE it and have had so much fun using it. Thank you!

Governor News

Thank you to all the Governors who invigilated the SATs assessments this week (Mrs B Hopkinson, Mrs E Walton and Mrs J Archdale). We couldn't do it without you.

Mrs N Cameron, Mr C Chalmers-Brown and I spent Thursday evening carrying out a full Health and Safety site walk. These termly inspections ensure that the school building and outdoor area remains safe for all and the fabric of the building is regularly maintained.

Year Six SATs

Mrs Oliver has asked me to thank all the children in year six for their incredibly hard work in preparation for their SATs assessments this week. We know this can be a very stressful time for all involved but they all approached it with a mature and calm way. Thank you to year five for supporting your classmates. Can I also thank Mrs Oliver and Mrs Dowling for their dedication and support to the children throughout this year.

The Bumby

We have now received all quotes for the reparation of the damaged *The Bumby* roof. We are pleased to announce that we are going ahead with a very reasonable quote from a contractor that we have used many times around the school. We are hoping that the work and adjacent landscaping will be completed during the six weeks' holidays. This is the first stage of our plans to further develop and enhance our outdoor educational area.
